

# **OUR VISION**

***'LOVE LEARNING AND  
INSPIRE EACH OTHER  
TO THRIVE IN THE  
WORLD'***

Our children, parents, staff and governors all worked together during the autumn term 2021 to write our vision.

All stakeholders contributions were collected, a working party consisting of a representative of each stakeholder group was formed and meetings were held.

Using a wordle, the working party depicted the prominent words/phrases used by all of our community. It was in fact the children who thought of our vision encapsulating everyone's contributions.

We are very proud of our vision as it reflects our school's aspirations for every child. Our vision is at the centre of all strategic decisions to ensure we achieve our vision.
